

DR.SCHNELL'S
RAPIDO
Chewing Gum Remover

Area of Application

Used for the removal of chewing gum residues and leftovers on carpets or hard-floor surfaces.

Application

Scrape off as much of the chewing gum as possible by hand or with a metal scraper. Apply RAPIDO Chewing Gum Remover to a dry, clean cloth, dab the chewing gum with RAPIDO Chewing Gum Remover and allow it to soak in for a little while. Remove the softened chewing gum with another clean cloth.

Characteristics

- CKW- and FCKW-free
- No freezing
- Softens and dissolves chewing gum residues
- For quick removal of chewing gum residues

Note

Fresh chewing gum can be frozen and removed using RAPIDO Chewing Gum-Ex, residues can be removed using the RAPIDO Chewing Gum Remover. Floor surfaces should be checked beforehand in an inconspicuous place for durability and colour-fastness.

Ingredients

Naphtha (petroleum), hydrotreated light.
